

Contractor Compliance Check List

Secretary of State

Contractors working on any project where the cost, value, or price per job or contract **exceeds \$2,000.00** must hold a North Dakota Contractors License. To process a contractor's license, the following need to be completed and submitted to the Secretary of State's office. *Please allow adequate time for processing as the requirements arrive from several agencies.*

1. Register the business entity with the Secretary of State.
2. Complete and submit a Contractor's Application.
3. Provide a copy of a certificate of insurance indicating liability coverage as proof that the applicant has secured liability insurance.
4. Provide a statement from Workforce Safety & Insurance that the contractor has secured workers' compensation coverage.
5. Pay the appropriate filing fee.
6. In addition to a contractor's license, you may need to obtain other licenses or permits as required by law.
 - For example, licenses issued by the State Electrical Board, State Plumbing Board, an Asbestos Abatement License issued by the North Dakota Department of Health, or a Transient Merchant License issued by the Attorney General.
