MINOT ASSOCIATION OF BUILDERS

SECOND QUARTER MEMBERSHIP DIRECTORY

2017

WELCOME TO MAB

Thank you for becoming a member of the Minot Association of Builders! We believe that joining MAB is a sound business decision. It will further enhance the credibility and visibility of your company within both the residential construction and business community. Membership will allow you to:

- · Strengthen your professional credibility
- Make business contacts
- · Help shape the building industry
- · Develop your competitive edge

With your membership in the MAB, you also become a member of the North Dakota Association of Builders (NDAB) and the National Association of Home Builders (NAHB). Both provide a wide array of resources and information to assist builders and associate members. The local, state and national organizations monitor many issues that affect our members and represent the interests of the industry – protecting your interests, so you don't have to.

WHO ARE MAB MEMBERS?

Representing the diversity of the building industry, the MAB consists of building specialists from every section of the construction field and associated industries. Members include builders, remodelers, developers, suppliers, manufacturers, architects, engineers, real estate brokers, mortgage companies and many other professionals interested in furthering the building industry.

We have three types of membership available: builder, associate and affiliate.

Builder: These companies do hands-on construction work, whether it is building homes, doing remodels or commercial building. *The cost for a builder member is \$390 a year starting from the date you sign up.*

Associate: These companies include any company not technically "building." That would include anything from electricians and plumbers to mortgage companies to suppliers. *The cost for an associate member is \$390 a year starting from the date you sign up.*

Affiliate: These members are employees of a current member company (builder or associate) who wish to be listed individually and receive their own correspondence from the association. This membership is great for real estate agents whose brokerage is a member or companies with multiple branches or individual sales people, for example. The cost for an affiliate member is \$30 a year starting from the date you sign up as long as your primary member company remains in good standing.

The Minot Association of Builders (MAB) is a non-profit trade organization that was established in 1965. Our goal is to promote the home building industry, home ownership and affordable housing in Minot, North Dakota and the surrounding areas. Builder and associate members (those who provide services directly and indirectly related to the home building industry) join MAB because they are highly skilled, highly trained professionals who are committed to the home building industry.

For over 50 years, MAB has been your voice in the building industry. We strongly believe that a united voice for the industry can accomplish much more than an individual one and are constantly working for the good of the industry in Minot, North Dakota and the United States. Because membership is 3-in-1 (local, state and national), there are dedicated staff and members monitoring legislative issues and governmental rules and regulations that affect the building industry on every level.

MAB BENEFITS

As previously stated, with your membership in the MAB, you also become a member of the North Dakota Association of Builders (NDAB) and the National Association of Home Builders (NAHB). Both provide a wide array of resources and information to assist builders and associate members. The local, state and national organizations monitor many issues that affect our members and represent the interests of the industry – protecting your interests, so you don't have to.

NATIONAL ASSOCIATION OF BUILDERS WORKING FOR YOU

NAHB is an active participant on Capitol Hill and in the federal regulatory process, working hard to promote housing in America. Resolutions adopted by NAHB's Board of Directors touch on key housing issues such as removing regulatory barriers to building affordable housing, protecting property rights, providing tax relief for small businesses, promoting smart growth, and assuring the U.S. housing finance system remains strong. These resolutions inform staff and volunteer advocacy work, whether we're talking to federal legislators, writing comment letters on proposed regulations, or preparing the budget for the next fiscal year

HELPING YOU THROUGH ACTION - NDAB

WHAT IS NDAB-PAC?

NDAB-PAC is the North Dakota Association of Builders' Political Action Committee. It is a non-partisan political action committee which provides support for candidates who are friends of the building industry.

NDAB-PAC recognizes there is strength in numbers. People who show they care and are concerned about the future of the building industry make contributions to NDAB-PAC because they believe that cooperation equals strength. You alone can't influence the Legislature or Congress on issues that can devastate your business. NDAB-PAC is your front

line of defense. It monitors legislative issues and works to protect and promote the building industry.

WHY SHOULD I GIVE TO NDAB-PAC?

NDAB-PAC's ability to defend and promote your business rests squarely on the financial support it receives from you and other members. The contributions will give NDAB-PAC the needed resources and clout to succeed on issues affecting the building industry.

HOW DOES NDAB-PAC HELP YOU?

By pooling contributions from NDAB members, NDAB-PAC is able to help elect legislators who understand and support the issues and concerns of builders and associate members.

Also, a portion of your contribution is passed along to BUILD-PAC, the National Association of Home Builders' Political Action Committee, one of the most recognized and well-respected PACs in Washington.

SAVING YOU MONEY

Another benefit of MAB membership is that you also get access to some fantastic company discounts through the Member Advantage program. These include discounts on Verizon Wireless service, new GM vehicles and more. Visit www.nahb.org/ma to learn more!

PENCILS UP! Go on, TELL A FRIEND...

The Minot Association of Builder's goal is to promote the home building industry, home ownership and affordable housing in Minot, North Dakota and the surrounding areas.

Builder and associate members (those who provide services directly and indirectly related to the home building industry) join MAB because they are highly skilled, highly trained professionals who are committed to the home building industry. For over 50 years, MAB has been your voice in the building industry. We strongly believe that a united voice for the industry can accomplish much more than an individual one and are constantly working for the good of the industry in Minot, North Dakota and the United States. Because membership is 3-in-1 (local, state and national), there are dedicated staff and members monitoring legislative issues and governmental rules and regulations that affect the building industry on every level.

How Does It Work?

- Mention us to a friend or company!
 Give them this form.
- 3. Help them sign up to be a member.
 - 4. Receive your Spike credit!
 - 5. Why not tell another friend?

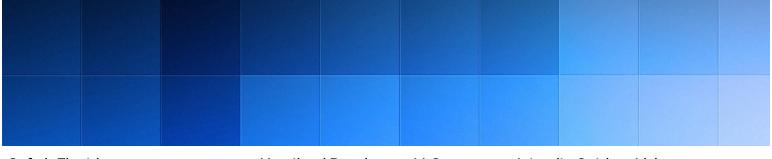

How Do I Earn Spike Credits?

Spikes earn one credit for each new Builder or Associate member they sponsor. When that member renews after his or her first year of membership, the sponsorship member automatically gets one renewal credit. Every year the member renews thereafter, the sponsoring member will receive a 1\2 renewal credit.

What are the Benefits of Becoming a Spike?

The real benefits are intangible: You are recognized for your contributions to the association and regarded as an accomplished and connected member of MAB. Additionally, Spikes receive

- A coveted invitation to the biggest party of the year, the Spike Party at the International Builders Show (IBS)
- Increased visibility, recognition and networking opportunities at industry events
- · Additional VIP treatment throughout the year.
