Minot
ASSOCIATION OF BUILDERS

WE'RE LOOKING FOR AN INTERN!

SOCIAL MEDIA + EVENT MANAGEMENT

Want hands-on experience creating content, promoting real events, working with local businesses, and seeing your ideas go from concept to crowd? The Minot Association of Builders is looking for a creative, organized intern interested in marketing, communications, social media, hospitality, business, or event management.

What You'll Get to Do

- Create and schedule social media content
- Capture photos, video and behind-the-scenes event content
- Help promote MAB events, members and programs
- Assist with event planning, vendor communication and day-of logistics
- Brainstorm campaigns, giveaways and fresh ways to drive engagement
- Help with email, graphics and other marketing projects

What We're Looking For

- Creative, dependable and comfortable taking initiative
- Strong written communication and attention to detail
- Familiarity with Instagram and Facebook; Canva experience is a plus
- Organized enough to juggle details without losing the fun part
- Interested in building a portfolio with real-world work
- No construction background required

Why This Internship Is Different

This is not an internship where you spend a semester watching someone else work. You'll have room to pitch ideas, create content people actually see, help execute community events, meet local business leaders, and leave with tangible work for your resume and portfolio.

Flexible	Real Experience	Portfolio Ready
Built around a student schedule	Content, campaigns + live events	Work you can actually show

INTERESTED?

Send a resume and a quick note about why this sounds like a fit. Minot Association of Builders | 701-852-0496 | contact@minotab.com
